RM07014	10 Cane Rum, Trinidad	6	1L	5,040	30,240	The Trinidadian rum is made from freshly pressed sugarcane juice, which is distilled twice in a pot still and aged in French oak barrels for six month before bottling. 10 Cane isn't just a cool sounding name but actually the number of sugarcane stalks that it takes to make one bottle.

The base rum is from Trinidad, distilled from naturally sweet molasses made from locally-grown sugar cane. The rum is aged 1–2 years and then blended with a mix of 11 spices, including cinnamon, ginger and clove. The liquid is black, revealing hints of brown when held up to the light.
RM07017	Ron Zacapa Centenario 15 Anos Rum, Guatemala	6	70cL	10,017	60,102	Without reaching the elevated rank of its older siblings (23 years, XO), this Zacapa is one of the best 15 year old rums one could hope to find: deeply-coloured, a honey-scented aroma and luscious on the palate.

RM07012	Ron Zacapa Centenario Solera 23 Anos Rum, Guatemala	6	70cL	21,420	128,520	The 500 year-old Spanish Sistema Solera method is used to age Ron Zacapa 23 in white oak casks. This results in a combination of rums aged between 6 and 23 years. The current Ron Zacapa 23 bottle features a woven band around the middle, which is in reference to the original hand woven palm leaf petate bottle cover that covered the bottle.
RM07027	El Pasador De Oro X.O Rum, Guatemala.	6	70cL	17,675	106,050	El Pasador de oro XO is a new rum brand brought into Western Canada by Charton Hobbs. The rum is produced by Les Bienheureux S.A.S. (in Paris France) and is a blend from 'grand XO' Guatemala rums aged from 6 to 15 years in oak barrels at selected Guatemalan distilleries.

An exceptional spirit.
